6. Consent Agenda

These are items where all conditions or requirements have been agreed to or met prior to the time they come before the Council for final action. A Single Public Hearing will be opened for all items on the Consent Agenda. These items will be approved by a single motion of the Council. The Mayor will ask if there is anyone present who has objection to such procedure as to certain items. Members of the Council may also ask that an item be removed from the consent section and fully discussed. All items not removed from the consent section will then be approved. A member of the Council may vote no on specific items without asking that they be removed from the consent section for full discussion. Any item that is removed from the consent agenda will be placed on the regular agenda.

7. Public Hearings - Quasi-Judicial Hearings

Public Hearings are the formal opportunity for the Town Council to LISTEN to the public regarding the issue at hand. For land use hearings the Council is required to act in a quasi-judicial capacity. When acting as a quasi-judicial body, the Council is acting in much the same capacity as a judge would act in a court of law. Under these circumstances, the judicial or quasi-judicial must limit its

consideration to matters which are placed into evidence and are part of the public record. The Council must base their decision on the law and the evidence presented at the hearing.
