4.B. Pop-Up Gallery

Shane Vetter, Senior Events Producer, was present to discuss an event that could incorporate this idea.

Event idea: organize a local artist fair, a community activation to promote art and culture. Events need financial support, \$5,000-\$10,000 budget for project depending on how it is built out.

Free for artists to participate, artists would receive 100% of their sales,

There is still enough time to plan for the summer of 2026. Jamie Wall would be the producer of this event.

Linda motions to financially back this project with \$5000

2nd: Helen

We wanted to follow up regarding the preliminary list of artists for the 2027 Snowmass Art Fest. This event will feature 30 curated artists from the Roaring Fork Valley working in painting, ceramics, mixed media, and sculpture. Based on our outreach so far, we have identified approximately 30 artists who have expressed both interest and availability to participate in the 2027 event.

As we continue refining the list, please keep in mind the physical limitations of the Events Lawn. The space can accommodate a maximum of 30 tents (10x10 each), so the number of participating artists will need to stay within that capacity.

Please take some time to review the attached list. I've included artists' websites and Instagram accounts for reference. If there are artists you feel strongly should be included, or any who may not align with the vision for the Art Fest, we can adjust the list accordingly.

Thanks!
