No December Meeting of PTRAB.

Members had a brief discussion regarding Board applications and that process. PTRAB Chair changes yearly. Boucher clarified that Mayer, Hess, Brizel & Camberg all have terms that expire at the end of 2024 and all four have reapplied.

Jeff Steinberg asked about the SM Rodeo and it's current look after the construction. Items discussed included the poor looking wood fencing adjacent to parking lot, high visibility of the stands, the shed, landscaping, and the size of the cell tower next to rodeo grounds. We are waiting for the company who owns the tower to finish the install of antennas and equipment. There is no further landscaping as part of the project but Council recently did appropriate additional moneys from the budget to add more landscaping. Jeff suggested PTRAB or individuals write a letter regarding opinions on the Rodeo grounds. Asked members if this was a topic PTRAB would like to take on. Jeff is happy to lead that charge.

Norbert Hansch suggested that PTRAB might also focus on Town Center.

Chair Mayer suggested PTRAB discuss in January the PTRAB goals for coming year. Mayer is happy to receive emails from members for suggestions for PTRAB goals for 2025.
