

Elected Official Transportation Committee

Thursday, July 16, 2020

4:00 PM

130 Kearns Road

Council Chamber

The focus of the prep meetings and the July 16 EOTC meeting are: 1) EOTC Strategic Plan, and 2) the EOTC Comprehensive Valley Transportation Plan (CVTP).

Please note that the meeting setup has changed slightly in order to allow as much time as possible to cover these two agenda items. Notably, at each prep meeting each jurisdiction will have the opportunity to vote to approve the EOTC Strategic Plan in advance of July 16. Holding a vote at the preparation meetings on the Strategic Plan could allow extra time on July 16 to review the proposed Comprehensive Valley Transportation Plan (CVTP).
